ALUMINUM RECYCLING PROGRAM AT SAINT PATRICK SCHOOL PAYS DIVIDENDS!

According to Casey Gideon-Saladin, Aluminum Can Recycling Coordinator for Saint Patrick's School, our aluminum recycling program not only keeps this renewable resource out of our landfills, but also helps fund the Home and School Association. Please bring your bagged aluminum cans to our recycling bin outside the parish hall. You can conveniently do this when you drop off your children in the morning. There will be a volunteer to help you not only with unloading your children, but also to unload any bag(s) of cans you

may have. No need to get out of your car! No need to wait! For more information, email Casey at caseygideon@hotmail.com or call 573-202-4984.

WHO DOESN'T LIKE RECESS, LUNCH, LIBRARY TIME, AND ART CLASS?

Would you like to volunteer at Saint Patrick's, but can't schedule it in on a regular basis? Good News! There is still an opportunity for YOU! If one of our scheduled volunteers cannot make their time slot, we call in a substitute volunteer. This could be YOU! Your generosity makes a huge difference to our school and to our kids, and any help you can give is much appreciated! Substitute volunteer times are available for Recess duty, Lunch duty, Library and Art classes.

Please contact Stephanie McCarthy at [573-465-4003](tel:573-465-4003) or snlmccarthy@gmail.com or Beth Buehler at [417-496-2311](tel:417-496-2311) or buehler.beth@gmail.com if you would like more information.

It's the same pizza served at the restaurant, it just went through a freezer instead of an oven. The same recipe, the same ingredients, the same stuff that tops the pizza every year, the same folks in the back listening to the same Led Zeppelin album and wearing bandanas. Help support our cause and have a great pizza while you're at it!
